Dear Parents,

7<sup>th</sup> April 2017

## Chichester Harbour

As part of our new topic we will be taking Year 4 to the coast to observe how our coastline was made, coastal erosion, coastal defences, crab hunt and crab homes and other fun activities on the shoreline.

Because of the distance to the coast we are going to leave school at **8.30 am on Thursday 22<sup>nd</sup> June** and expect to return by 3.30 pm. We will ask for the children to be registered at school at 8.20 am. Please ensure that they arrive promptly. The cost of the trip is £20.00 per child. Contributions to this event are voluntary however the event may be cancelled if insufficient funds are received to make it viable. The contribution requested does not exceed the actual cost, divided by the number of pupils participating.

Pupils should wear clothing that is adequate for the weather conditions and activities. Waterproofs and wellington boots or old trainers are a **must** since the shoreline can be muddy. Your child will also require suntan lotion and a hat.

Children will require a packed lunch or school snack pack. In addition to this they should also bring snacks and lots to drink as it is a longer day.

**Please complete the attached reply slip and return it by Friday 9<sup>th</sup> June.**

Yours sincerely,

Year 4
