Dear Parents/Carers,

There will be two more weeks of Gardening club:

04/07/17 – visit Mrs Read's allotment

11/07/17 – in school as normal

On Tuesday 4th July, we will be walking the children down to Mrs Read's allotment. We will be back by 4.20pm so pick up will be as normal. We will use the emergency contact details held by school, so if these will be different on this day please let myself or the office know. If you are not happy for your child to come with us to the allotments, please speak to myself, otherwise I'll assume we have your consent. The children will need the usual water bottle and sun or rain protection depending on the weather.

Can I also take this opportunity to thank the children for their commitment to the club and their fantastic attitude and behaviour. They have been an absolute pleasure to garden with and were a real credit to the school during our Manor Park visit. The Rushmoor in Bloom judges came last week to judge the 'Edible Patch' and 'Herb Garden' categories. The children wowed them with all the knowledge they've gained over the last 2 months and we all wait excitedly for the results.

Yours sincerely,

Mrs Steele
