

PRACTICE MAKES PROGRESS

Our children have already put in lots of effort in preparation for the SATS.

Throughout their education they will encounter many periods of testing and we want to help them to develop resilience and perseverance during these times. Over the next couple of weeks the children will continue to prepare for their SATS and whilst they are important and we want all children to continue to do the best they can, we also want them to remain happy and confident in themselves.

We hope that all our year sixes leave St Michaels being the best that they can be and the most Secondary ready that we can help them be. But most importantly we want them to leave us happy, confident and proud of themselves.

Our afternoon sessions will continue to focus on foundation subjects and we will make the most of the warmer weather by taking our learning outside.

Through PSHE and circle time sessions we will focus on the children's well-being and celebrate their talents and successes.

Don't get stressed...

Just do your best!

Remember you've been blessed...

With skills that SATS
**DON'T
TEST!**

Children are able to access revision tasks on my maths, spag.com and read theory.

We have arranged to visit Cineworld in Aldershot on Friday 12th May. Please see separate letter.

As always, please do speak to your child's class teacher if you have any concerns.
