Dear Parents/Carers

Rushmoor Borough Council have invited our gardening club children to Manor Park on Wednesday 24th May, to join in with some planting of the flower beds. We will be leaving school at 10.15am and will be back by lunch time. It is a lovely opportunity for the children to get some more hands-on experience with planting as well as participating in the local community.

There will be a photographer on the day and photos may then be used in local news. I really hope all our gardening club children will be able to attend. Please complete the slip below and return to the school office or your child's class teacher. We will assume your child's emergency contact details for this trip are the same as those held by the school unless you inform the school otherwise.

The children need to come to school in their normal school uniform (including jumper or cardigan) but will also need: a pair of trainers to change into; a light waterproof coat in case of poor weather; a snack to eat before we leave as they will not be at school during the normal break time.

Lastly, we need at least one parent helper to accompany us to the park so if you are available to help please tick below.
